

## 2018 Winter Quarter – Tao Te Ching

This quarter we will be studying the Tao Te Ching (Dao De Jing) written by Lao Tzu. A Daoist classic, the Tao Te Ching consists of brief profound texts: we will use Robert Eno’s rendition and (if you have the book) Sourcebook of Chinese Philosophy. The original text and literal translation can be found here:

<https://ctext.org/dao-de-jing>. If there’s enough time, I’ll be analyzing some texts from the Tao Te Ching and provide simple translations.
